James B. Henderson.

The death of James B. Henderson ocurred last evening at the Green Mountain sanitarium, where he had been a patient for the last few weeks, suffering from heart failure.

Mr. Henderson, who was a twin brother of W. J. Henderson, was born in Burlington June 14, 1807, and was therefore 59 years of age, his whole life being spent in this city. In 1873, at the age of 16, he became conductor of the Burlington & Lamollie railroad, running between Burlington and Cambridge Junction and ran or the usual pilot rules applying to all sorts of the same last year on account of ill of craft while in motion have been en- health. For the last nine years he was forced to the letter, but bouts anchored also associated with A. C. Booth in the
